Subject: 30 year review

Hi,

I responded to an advert in the Daily Mail of 16th April, hoping to add my views to the debate. Unfortunately, your site tells me that the consultation closed yesterday the 14th April.

What a waste of money that advert was!

For whar it may be worth, I don't think this rule should apply to any document unless it affects security in any way.

Many thanks,  
Erik
